5780 Theme: “The Shofar Blast—Our Call to Action”

The shofar blast is our wake up call for reflection and action. We are called to action through the power of forgiveness, asking for forgiveness and forgiving. The Magazine Committee invites you to share a personal experience on the transformative power of forgiveness or the work of renewal. Please send your article of approximately 500-700 words to: paulettewoolf@gmail.com or to therese.berkowitz@yahoo.com no later than Monday, August 19.
