Dear Members and Friends

Yizkor Project 5782

We are delighted to see so many of you back in Shul and trust and pray that we will enjoy a full Shul for Rosh Hashana.

As you will know, we are trying to get back to some form of routine with kiddushim & seuda shlishit on Shabbatot. We are happy to have once again 2 morning minyanim and some shiurim taking place live as well as on Zoom.

Let us hope that the "new" variants" of Corona that are appearing in Israel will not cause us to go back to renewed Health Ministry restrictions.

As I'm sure you are well aware that the Shul has had an extremely difficult year with all the restrictions placed upon it by the Covid pandemic. Nevertheless, I am pleased to tell

you that we have hardly missed more than a very few of our regular minyanim throughout this challenging period and abided with all the Ministry of Health rules.

Looking forward to a healthy and successful 5782, we are happy to resume our annual project of the Yizkor Book, to be prepared in time for Yom Kippur.

Following our successful project last year, we plan to continue with a modest Yizkor Book this year. As previously this will include an updated list of names that you have kindly been putting in the book, in blessed memory of your loved ones.

In order to update and prepare this booklet, we need your help and support. You will shortly receive an email letter from shul requesting your participation in the 5782 project.

Please remember that this project replaces the Kol Nidre Appeal of earlier years and we trust that you will support us generously.

Yours sincerely

Jeremy Rosenstein - Chairman.
